Everything appears to be fully compliant.

Good Afternoon Mr. Fussell,

The Secretary of Defense has directed that the Threat Reduction Advisory Committee, a discretionary advisory committee, reduce its membership from not more than 30 to not more than 21. As a result, we must amend the charter. Attached is the amended charter and membership balance plan. I have initiated a consultation in the database, please let me know if you approve of consult.

Thank you in advance.

V/r,
Megan
